POWERFUL HR SOFTWARE AND EXPERT ADVICE

Paycor's technology saves you and your clients time. Our extensive network of powerful integration partners meet your clients' unique needs and offers seamless transfer of HR and payroll data. And our expert advice helps them solve their toughest challenges.

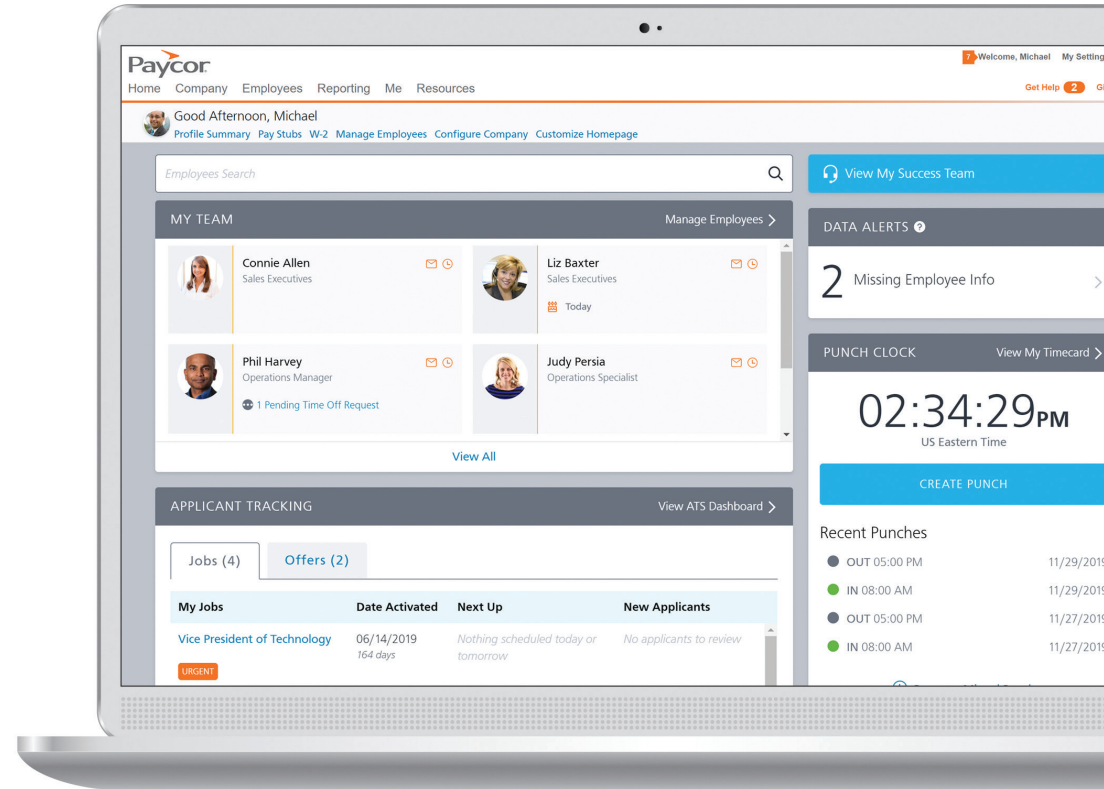

REPORTING & ANALYTICS

Report access when and where you need it. Our cloud-based reporting application gives you quick, easy access to client data and allows you to configure reports with the data you need. Create custom reports in minutes or choose from a number of standard reports. From organizational summaries to expanded YTD reports, Reporting & Analytics puts your clients' information at your fingertips.

Paycor builds HR software for leaders.

Our Human Capital Management (HCM)

platform modernizes every aspect of people management, from the way your clients recruit, onboard and develop people, to the way they pay and retain them. But what really sets us apart is our focus on business leaders. For 30 years, we've been listening to and partnering with leaders, so we know what they need: HR technology that saves time, powerful analytics that provide actionable insights and a personalized support model. That's why more than 40,000 organizations nationwide trust Paycor to help them solve problems and achieve their goals.

A PARTNERSHIP BUILT FOR SUCCESS

We understand that client satisfaction and retention are keys to your success. Partner Care ensures you have everything you need to meet and exceed your clients' expectations.
